

Announcement

Following signing of an MOU with Nestle Nutrition Institute Africa (NNIA) we have ten places reserved for SAAP members to enrol in the International Certificate course in Paediatric Nutrition for pharmacy professionals. The course is run by Thomas Jefferson in the US. Candidates are expected to cover the on-line course in 20 weeks composed of 5 modules all together, 2 of which are compulsory. Then the candidate can choose any other three from 4 elective modules. Candidates are expected to complete the course and not dropping out. This course normally costs \$50 per person and our partner Nestle will pay for the SAAP MEMBERS. Post your application with CV to **info@saap.online**
